## **Moon exhibit celebrates 50th anniversary of Apollo 11 landing**

On July 20, 1969, Neil Armstrong took the first step onto the surface of the Moon. Join us on **July 20, 2019, 10 a.m.–4 p.m.** for the opening of *Moon*, an exhibit celebrating the cultural and scientific aspects of the Moon. Enjoy a virtual reality outer space experience with VR gear and demonstrations provided by our staff. This event is free and open to the public and coincides with the [Summer Science Saturday](#) celebration at the UA Lunar and Planetary Laboratory – just a short walk across the mall!
