

Our commitment to openness

The University Libraries' commitment to the value of openness is evident, literally and figuratively, in two initiatives: the Research Data Repository, known as ReDATA, and CATalyst Studios, our makerspace located in the Main Library.

Lo Que Pasa, the newsletter for and about employees of the University of Arizona, recently featured interviews with data management specialist **Fernando Rios** and CATalyst Studios director **Jen Nichols**.

Celebrating Native American Heritage Month at the Libraries

During November, we're celebrating **Native American Heritage Month** on our social media channels.

Follow and like us on Instagram, Twitter, and Facebook!

Sarah Shreeves selected as ARL Leadership Fellow

Sarah Shreeves, vice dean at the University Libraries, has been selected as a member of the 2021-2022 Association of Research Libraries (ARL) Leadership Fellow program.

The year-long program brings together a cohort of 20 library leaders to further develop their skills through engagement with ARL leadership and institutions, as well as shared experiences and training.

Congratulations, Sarah!
