

The Films of Andrew Ellicott Douglass: Astronomer, Archaeologist, and Father of Tree-Ring Dating

Join us on **October 14, at 4pm (MST)** for a virtual panel discussion celebrating the opening of the online collection, **The Films of Andrew Ellicott Douglass: Astronomer, Archaeologist and Father of Tree-Ring Dating**. Learn about preserving nearly 90 unique films from the 1930s and their importance to both the study of science on film and the scholarly fields in which Douglass, a University of Arizona professor, was an innovator.

Panelists:

Dr. Oliver Gaycken, Professor, English and Film Studies, University of Maryland

Amanda Howard, Archival Assistant, University of Arizona Libraries, Special Collections

Dr. Charlotte Pearson, Associate Professor, University of Arizona Laboratory of Tree-Ring Research

Trent Purdy, Multimedia and Digital Collections Archivist, University of Arizona Libraries, Special Collections

Dr. David Frank, Director, University of Arizona Laboratory of Tree-Ring Research
